

LifeUpEd.TV

The host Natsune and a comedian interview their high achiever guests across all walks of professions (Educators, Business Leaders, Actors, Musicians, Artists, Entrepreneurs, Producers) about their crafts and life in a humorous, and yet educational way.

Point 1

Point

The show has a good balance between entertainment and education as each interview is designed to extract some kind of life lesson shared by the guest while the interview is done in a friendly and comedic manner.
